

**1**

**Can you think of a time you feel you have been judged unfairly or that you have prejudged someone else?**

**2**

**What do you think could have happened in those circumstances for it to go better?**

**3**

**Is there anything you could have learned?**

**4**

**Is there anything you feel challenged on to educate yourself on more?**

**5**

**Have you ever treated someone unfairly and actually need to say sorry.**
